MEMORANDUM FOR DISTRIBUTION

SUBJECT: American Society for Engineering Education Revised FY 04 Single Audit Report

The American Society for Engineering Education submitted a revised FY 2004 single audit reporting package to the Federal Audit Clearinghouse on July 2, 2007. The revised report replaces the original FY 2004 single audit reporting package submitted on February 22, 2005. The revised report reflects the results of additional audit procedures performed by LarsonAllen, LLP to address the findings and recommendations in our OIG DoD Report D-2006-6-005, "Report on Quality Control Review of the FY 2004 Single Audit of American Society for Engineering Education," dated August 10, 2006.

Based on our review of the revised FY 2004 single audit report and supporting audit documentation, LarsonAllen, LLP has met OMB Circular A-133 requirements. Therefore, Federal agencies, pass-through entities, and other users can use the report to monitor and manage Federal awards.

We appreciate the cooperation and efforts extended to our staff by LarsonAllen, LLP and American Society Engineering Education during our follow-up review. Questions about the contents of this letter should be addressed to Ms. Sharon Vasquez at (703) 604-5007.

A handwritten signature in black ink, appearing to read "Wayne C. Berry".

Wayne C. Berry
Acting Assistant Inspector General
for Audit Policy and Oversight
