MEMORANDUM FOR DISTRIBUTION

SUBJECT: Assessment of the Sufficiency of the Afghan National Security Force's Policies, Processes, and Procedures for the Management and Accountability of Ammunition, Explosives, and Fuel (Project No. D2014-DOOSP0-0129.001).

We plan to begin our assessment immediately. This assessment is a command requested follow-on effort to the recent DoDIG assessments related to the U.S. and Coalition efforts to train, advise, and assist in the development of an enduring logistics capability for the Afghan National Army (ANA – Project No D2014-DOOSP0-0008) and the Afghan National Police (ANP – Project No. D2014-DOOSP0-0129).

The overall objective of this follow-on review is to assess the sufficiency of Afghan National Security Forces policies and procedures for the management and accountability of fuel (Class III Bulk) and conventional military ammunition and explosives (Class V).

Specifically we will review:

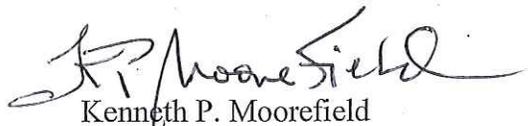

- The ISAF Security Assistance Office relationship with the Ministries of Defense and Interior regarding regulations and procedures for the procurement, receipt, accountability, and consumption of ammunition and fuel.
- ANSF compliance with published accountability procedures and internal controls for ammunition, explosives, and fuel at national and regional commands.
- ANSF ammunition, explosives, and fuel distribution and accountability systems for significant gaps and vulnerabilities.
- ANSF storage facilities for ammunition, explosives, and fuel for security gaps and vulnerabilities.

We plan to visit or contact organizations in Afghanistan that are responsible for developing the sustainment capability of the ANSF. We also plan to visit NATO and partner nation representatives involved with this process. Specific organizations to be visited will be identified during the assessment, and arrangements for those visits will be made through established official points of contact.

Please provide us a point of contact for this assessment in writing. The point of contact must be a government employee, either a GS-15 or the military equivalent. Please include the contact's name, title, grade, phone number, and e-mail address. Request management send a point of contact in electronic format (Adobe Acrobat file only) to [REDACTED] within five days of the date of this announcement.
