MEMORANDUM FOR DISTRIBUTION

SUBJECT: Summary Report on Audit Quality (Project No. D2015-DAPOIA-0202.000)

The Office of the Assistant Inspector General for Audit Policy and Oversight will begin the subject review in July 2015. The Government Auditing Standards require that an audit organization performing government audits have an appropriate internal quality control system and undergo an external quality control review every three years by an organization that is independent of the organization being reviewed. Our objective is to identify systemic deficiencies reported during the most recent cycle of peer reviews of DoD Audit Organizations and prepare a summary report. We will use the most current peer review reports to obtain the information necessary to support our objective.
