MEMORANDUM FOR DISTRIBUTION

SUBJECT: Evaluation of DoD Nuclear Enterprise Governance (Project No. D2015-DISPA1-0130.000)

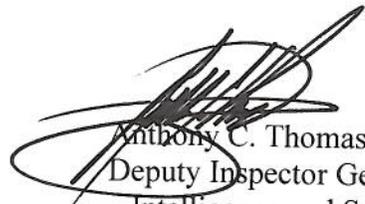

We plan to begin the subject evaluation in February 2015. Our objective is to (1) evaluate whether responsibilities and authorities for nuclear weapons, nuclear weapons systems, and the existing DoD nuclear command and control systems are effectively aligned within the offices of the Secretary of Defense, the Joint Staff, and ad hoc/statutory committees; and (2) to examine decision-making processes, interdepartmental coordination, and any gaps, seams and overlaps between offices and committees. We will consider suggestions from management on additional or revised objectives.

We will perform this evaluation in the offices of the Secretary of Defense and the Joint Staff. We may identify additional locations during the evaluation.

Please provide us with a point of contact for the evaluation within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15 pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and email address to [REDACTED]
