SUBJECT: Audit of Accounting for Residual Value From the Sale of U.S. Facilities in Europe  
(Project No. D2011-D000FR-0189.000)

We plan to begin the subject audit in March 2011. The overall objective is to determine whether DoD personnel properly accounted for residual value transactions for facilities returned to host nations. Specifically, we will determine whether DoD personnel properly submitted residual value claims for returned facilities, obtained monetary or non-monetary consideration, and properly accounted for the use of residual value amounts. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Offices of the Under Secretary of Defense (Comptroller)/Chief Financial Officer and the Deputy Under Secretary of Defense (Installations and Environment) in Arlington, Virginia, and at the Headquarters U.S. European Command in Stuttgart, Germany. We may identify additional locations during the audit.

Please provide us with a point of contact for the review in writing. The point of contact should be a Government employee, a GS-15 or pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address by mail, by fax [REDACTED] or by e-mail to [REDACTED]
