MEMORANDUM FOR DISTRIBUTION

SUBJECT: Assessment of U.S. Government and Coalition Efforts to Develop the Logistics Sustainment Capability of the Afghan National Army (Project No. D2011-D00SPO-0172-000)

We plan to begin this assessment immediately. The objectives of this assessment are to determine whether:

- Planning and operational implementation of efforts by U.S./Coalition forces to train, advise, and assist in the development of an enduring logistics sustainability capability for the Afghan National Army (ANA) is effective. This includes evaluating output/outcome in ANA logistical and operational organizations resulting from U.S./Coalition involvement in developing Ministry of Defense (MoD)/ANA logistics support processes.
- Plans, training, preparation, and designated missions of International Security Assistance Force (ISAF)/U.S. Forces-Afghanistan, NATO Training Mission-Afghanistan/Combined Security Transition Command-Afghanistan, and ISAF Joint Command to train, advise, and assist in the development of an enduring logistics sustainability capability for the ANA are integrated across all levels of U.S./Coalition commands/staffs, as well as with the MoD, and address ANA operational needs.

We plan to visit or contact organizations in the continental United States and in the U.S. Central Command area of responsibility that are responsible for developing the sustainment capability of the ANA. Specific organizations to be visited will be identified before and during the field assessment, and arrangements for those visits will be made through established official points of contact.

Combatant Commands/subordinate organizations listed below are to provide a point of contact for this assessment. The point of contact must at or above GS-15 civilian grade or O6 military grade. Please include the contact's name, title, grade/rank, phone number, and e-mail address. We request management send a point of contact in electronic format (Adobe Acrobat file only) to [REDACTED] and [REDACTED] within five days of the date of this announcement.
