SUBJECT: Audit of Contracts Supporting the Defense Enterprise Accounting and Management System (Project No. D2012-D000FH-0109.000)

We plan to begin the subject audit in February 2012. Our objective is to determine whether DoD and U.S. Air Force officials administered contracts supporting the Defense Enterprise Accounting and Management System (DEAMS) in an effective and efficient manner. Specifically, we will determine whether government oversight of contractor performance is adequate; quality assurance plans have been adequately implemented; contracts are funded in accordance with applicable regulations; and modifications that increase contract costs are properly supported. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Wright-Patterson Air Force Base, OH; Fairview Heights, IL; and DFAS Columbus, OH. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee, a GS-15 or pay band equivalent or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address by mail, by fax to [REDACTED]
