MEMORANDUM FOR DISTRIBUTION

**SUBJECT:** Termination of the Assessment of U.S. Government Efforts to Transition Security Cooperation and Assistance Activities Supporting the Government of the Islamic Republic of Afghanistan from Department of Defense Authority to Department of State Authority (Project No. D2013-D00SPO-0181.000)

We announced the subject assessment on June 13, 2013 in response to requests from operational commands and congressional inquiries. The objective of the assessment was to determine whether DoD was prepared to transition security cooperation and security assistance activities, functions, tasks and program management from Department of Defense to Department of State. Due to the changed operational circumstances in Afghanistan, continuing this assessment would not be an effective or efficient use of Agency resources at this time. We intend to perform this assessment when appropriate.
