MEMORANDUM FOR: DIRECTOR, NATIONAL SECURITY AGENCY

SUBJECT: Audit of the Dissemination of DoD Intelligence Information to the Library of National Intelligence (Project No. D2013-DINT02-0130)

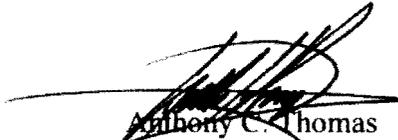

We plan to begin the subject audit on March 28, 2013. Our objective is to determine the level of progress the National Security Agency has made to disseminate intelligence information to the Library of National Intelligence. This audit will contribute to the OIG's broader audit of DoD Intelligence Community (DoD IC) Counterterrorism Analysis Tools as outlined in our FY 2013 ISPA Annual Plan. We will fully consider suggestions from management on additional or revised objectives.

We will perform this audit at various locations within the DoD IC including but not limited to the National Security Agency. Additional government or contractor organizations may be identified during the audit.

Please provide points of contact to [REDACTED]

or [REDACTED]

[REDACTED] no later than April 12, 2013.

  
Anthony C. Thomas  
Deputy Inspector General for Intelligence  
and Special Program Assessments
