MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,
TECHNOLOGY AND LOGISTICS
DIRECTOR, DEFENSE CONTRACT MANAGEMENT AGENCY
NAVAL INSPECTOR GENERAL

SUBJECT: Termination of the Audit of the Department of the Navy's Global Positioning System – Based Positioning, Navigation, and Timing Service (Project No. D2014-D000AJ-0137.000)

We announced the subject audit on March 18, 2014, (see Attachment). We are terminating the audit of Department of the Navy's Global Positioning System – Based Positioning, Navigation, and Timing Service (Project No. D2014-D000AJ-0137.000), due to incomplete information to support reliable audit conclusions. Continuing this audit would not be cost effective or the most efficient use of Agency resources and would not provide the Global Positioning System – Based Positioning, Navigation, and Timing Service program office with relevant and timely information.

You can obtain information about the Department of Defense Office of Inspector General from DoD Directive 5106.01, "Inspector General of the Department of Defense (IG DoD)," April 20, 2012; DoD Instruction 7600.02, "Audit Policies," April 27, 2007; and DoD Instruction 7050.03, "Office of the Inspector General of the Department of Defense Access to Records and Information," March 22, 2013.
