SUBJECT: Audit of the Acquisition of the Armed Services Blood Program – Theater Blood Application
(Project No. D2014-D000AJ-0197.000)

We plan to begin the subject audit in July 2014. This will be one in a series of audits that will focus on the overall management of the U.S. Armed Services Blood Program. Our objective for this audit is to determine whether management effectively developed and implemented the Theater Blood Application to meet the needs of the war-fighter. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Defense Health Agency, Defense Health Clinical Systems Program Executive Office, Deployment and Readiness Program Management Office, and the Armed Services Blood Program Office, Falls Church, VA. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **7 days** of the date of this memorandum.
