MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,  
TECHNOLOGY, AND LOGISTICS  
NAVAL INSPECTOR GENERAL

SUBJECT: Audit of the Navy MQ-4C Triton Unmanned Aircraft System Program (Project No. D2015-D000AU-0063.000)

We plan to begin the subject audit in November 2014. The audit will be the first in a series of audits on the Navy MQ-4C Triton Unmanned Aircraft System Program. Our overall objective for the series of audits is to determine whether the Navy is effectively managing the MQ-4C Triton Unmanned Aircraft System acquisition program. For this audit, we will determine whether the Navy has adequately justified the overall MQ-4C Triton Unmanned Aircraft procurement quantity. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics, and the Persistent Maritime Unmanned Aircraft Systems Program Office in Patuxent River, MD. We may identify additional organizations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [audapi@dodig.mil](mailto:audapi@dodig.mil).

You can obtain information about the Department of Defense Office of Inspector General from DoD Directive 5106.01, "Inspector General of the Department of Defense (IG DoD)," April 20, 2012; DoD Instruction 7600.02, "Audit Policies," October 16, 2014; and DoD Instruction 7050.03, "Office of the Inspector General of the Department of Defense Access to Records and Information," March 22, 2013.
