SUBJECT: Audit of Facility Maintenance for the King Abdullah II Special Operations Training Center
(Project No. D2015-D000CJ-0208.000)

We plan to begin the subject audit in July 2015. This project relates to the overseas contingency operation, Operation Inherent Resolve, and will be completed in accordance with the OIG's oversight responsibilities, as described in Section 8L of the Inspector General Act of 1978, as amended. Our objective is to determine whether DoD effectively maintained facilities at the King Abdullah II Special Operations Training Center. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at King Abdullah II Special Operations Training Center in Jordan, and Shaw AFB. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **7 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent.
