MEMORANDUM FOR DISTRIBUTION

SUBJECT: Audit of DoD Plans for Supporting Department of State U.S. Embassy Evacuations
(Project No. D2015-D000RE-0008.000)

We plan to begin the subject audit in October 2014. Our objective is to determine whether U.S. Africa Command's plans for the protection and evacuation of American embassies and noncombatant U.S. citizens within their area of responsibility comply with Federal and DoD evacuation policies. This is the first in a series of audits on embassy evacuations plans. We will consider suggestions from management on additional or revised objectives.

We will perform the audit in the U.S. Africa Command area of responsibility. We plan to coordinate this audit with the Department of State Office of Inspector General, Office of Audits. The Department of State will simultaneously conduct an audit of emergency action plans at American embassies in U.S. Africa Command. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrco@dodig.mil.
