MEMORANDUM FOR DISTRIBUTION

SUBJECT: Audit of the Contracting Operations for Missile Defense Agency Targets
(Project No. D2015-D000RF-0040.000)

We plan to begin the subject audit in October 2014. Our objective is to determine whether Missile Defense Agency's Target and Countermeasures Program followed contracting requirements during solicitation and contract award, and administration for targets and countermeasures contracts. In addition, we will determine whether the Missile Defense Agency properly classified procurement actions. This is the second of two audits reviewing Missile Defense Agency's target life cycle. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at various Missile Defense Agency and contractor locations. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrco@dodig.mil.
