MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,
TECHNOLOGY, AND LOGISTICS
DIRECTOR, OPERATIONAL TEST AND EVALUATION
AUDITOR GENERAL, DEPARTMENT OF THE ARMY

SUBJECT: Audit of Under-Vehicle Force Protection Requirement for the Army Paladin
Integrated Management Program (Project No. D2016-D000AU-0203.000)

We plan to begin the subject audit in August 2016. Our objective is to determine whether the Army is adequately protecting soldiers from under-vehicle blasts as part of the force protection requirement. This audit is the second in a series of audits on the Army Paladin Integrated Management Program. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Army TACOM–Life Cycle Management Command, Warren, Michigan; the Army Fires Center of Excellence, Fort Sill, Oklahoma; the Under Secretary of Defense for Acquisition, Technology, and Logistics, Arlington, Virginia; and the Office of the Director, Operational Test and Evaluation, Arlington, Virginia. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact’s name, title, grade/pay band, phone number, and e-mail address to audasm@dodig.mil.

You can obtain information about the Department of Defense Office of Inspector General from DoD Directive 5106.01, “Inspector General of the Department of Defense (IG DoD),” April 20, 2012; DoD Instruction 7600.02, “Audit Policies,” October 16, 2014; and DoD Instruction 7050.03, “Office of the Inspector General of the Department of Defense Access to Records and Information,” March 22, 2013.
