MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,
TECHNOLOGY, AND LOGISTICS
NAVAL INSPECTOR GENERAL

SUBJECT: Termination of the Audit of Navy Utility Energy Service Contracts (Project No. D2016-D000CG-0107.000)

We announced the subject audit on March 7, 2016, (attached) and suspended the project March 24, 2016. The objective was to determine whether the contracts and task orders related to the Navy Utility Energy Service Contracts were properly awarded and administered. We are terminating this audit because of resource constraints and other time-sensitive, high priority projects. We will reannounce this audit when resources become available.
