MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,
TECHNOLOGY, AND LOGISTICS
DIRECTOR, DEFENSE LOGISTICS AGENCY
AUDITOR GENERAL, DEPARTMENT OF THE ARMY

SUBJECT: Audit of Army Leases for Energy Production Projects
(Project No. D2016-D000CI-0128.000)

We plan to begin the subject audit in March 2016. This is the first in a series of audits related to leases supporting energy production projects. We are conducting this audit in response to a Defense Hotline submission. Our objective is to determine whether the Department of the Army properly awarded and obtained fair market value for leases supporting energy production projects. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Defense Logistics Agency; U.S. Army Corps of Engineers; Fort Detrick, Maryland; and Fort Hood, Texas. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **7 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audcmp@dodig.mil.
