SUBJECT: Audit of the Government of Islamic Republic of Afghanistan's Controls Over U.S.
Direct Assistance Funded Contracts (Project No. D2016-D000JB-0089.000)

We plan to begin the subject audit in February 2016. This project relates to the overseas contingency operation, Operation Freedom's Sentinel, and will be completed in accordance with the DoD Office of Inspector General's oversight responsibilities, as described in Section 8L of the Inspector General Act of 1978, as amended. This project is part of a series of audits related to United States direct assistance for Afghanistan National Security Forces. Our objective is to determine whether the Combined Security Transition Command-Afghanistan and the Government of Islamic Republic of the Afghanistan's Ministries of Defense and Interior have established and implemented effective controls over the contract management process. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Bagram Airfield and Resolute Support Headquarters Kabul, Afghanistan. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **7 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audcmp@dodig.mil.
