SUBJECT: Audit of Controls Over Afghanistan Ministry of Defense Fuel Contracts  
(Project No. D2016-D000JB-0172.000)

We plan to begin the subject audit in August 2016. This project is part of a series of audits related to Afghanistan contract oversight. Our objective is to determine whether the Combined Security Transition Command-Afghanistan and the Afghanistan Ministry of Defense (MoD) have established effective controls for oversight of Ministry of Defense fuel contracts. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Resolute Support Headquarters Kabul, Afghanistan. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **7 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [audcmp@dodig.mil](mailto:audcmp@dodig.mil).
