TECHNOLOGY AND LOGISTICS
NAVAL INSPECTOR GENERAL

SUBJECT: Audit of Marine Corps Use of Utility Energy Service Contracts
(Project No. D2017-D000CI-0005.000)

We plan to begin the subject audit in October 2016. We are conducting this audit in response to allegations made to the Defense Hotline. Our objective is to determine whether the contracts and task orders related to the Utility Energy Services Contract were properly awarded and administered. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Naval Facilities Engineering Command, Southwest and the Marine Corps Base Camp Pendleton, California. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audcmp@dodig.mil.
