SUBJECT: Audit of U.S. Special Operations Command Excess Equipment Management
(Project No. D2017-D000RE-0029.000)

We plan to begin the subject audit in October 2016. Our objective is to determine whether U.S. Special Operations Command (USSOCOM) is effectively identifying excess equipment in its inventory and is storing only equipment with valid requirements. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the USSOCOM Headquarters, MacDill Air Force Base, Florida, Special Operations Forces Support Activity (SOFSA), Lexington, Kentucky, and Crane, Indiana. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrco@dodig.mil.
