Dear Gentlemen/Ladies:

As the cognizant agency for the Henry M. Jackson Foundation for the Advancement of Military Medicine, we will be performing a follow up quality control review of the Office of Management and Budget (OMB) Circular A-133 audit for the fiscal year ended September 30, 2011. The purpose of our follow up review will be to determine whether the audit work performed by Grant Thornton was done in accordance with OMB Circular A-133 requirements and applicable auditing standards. As noted in our report, Report No. DoDIG-2013-124 dated August 26, 2013, we discontinued our original review when it was determined Grant Thornton needed to perform additional audit work to support the audit opinion on the FY 2011 single audit. We agreed to reschedule our review once the additional audit work was completed and the audit report was resubmitted to the Federal Audit Clearinghouse. We will visit the Grant Thornton office in McLean, VA from April 21 to May 2, 2014.

We will be providing the Governing Council with a copy of our report at the conclusion of our review. However, if you would like to meet with us before or after the review, please contact [REDACTED] to arrange for a mutually acceptable date and time. If you have any questions, please contact [REDACTED] or by email at [REDACTED]

Sincerely,

A handwritten signature in cursive script that reads "Carolyn R. Davis".
