SUBJECT: Audit of U.S. Transportation Command's Readiness for the Drawdown from
Afghanistan (Project No. D2012-D000JA-0195.000)

We plan to begin the subject audit in August 2012. Our objective is to determine whether U.S. Transportation Command officials are developing plans to provide sufficient government and contract capabilities to support U.S. Central Command requirements for the retrograde of cargo from Afghanistan. We will consider suggestions from management on additional or revised objectives. This audit was coordinated with the Southwest Asia Joint Planning Group.

We will perform the audit at U.S. Central Command, U.S. Transportation Command, U.S. Army Surface Deployment and Distribution Command, Air Mobility Command, and Military Sealift Command. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee, a GS-15 or pay band equivalent or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address by mail, by fax to (571) 372-7465, or by e-mail to audjsao@dodig.mil.
