

## *Investigation of Allegations of the Use of Mind-Altering Drugs to Facilitate Interrogations of Detainees*

**SEPT 23**

The review focused on the facts surrounding reports that detainees and prisoners captured in Southwest Asia may have been administered mind-altering drugs to facilitate interrogations while in DoD custody. The allegations were not substantiated. The investigation was conducted in response to a request from members of the U.S. Senate.

Report No. 09-INTEL-13

# 2009
