

# 30 PROJECTS, 30 YEARS

## *Changes are Needed to the Army Contract With Sikorsky to Use Existing DoD Inventory and Control Costs at the Corpus Christi Army Depot*

**NOV 3**

This report identified at least \$47.5 million of excess DoD inventory that could be used to satisfy current and future contract requirements for the Blackhawk weapon system. In addition, Sikorsky contract prices were \$7.6 million, or 85.1 percent, higher than Defense Logistics Agency prices for 3,267 items.

Report No. 2012-004
