MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR ACQUISITION,
TECHNOLOGY, AND LOGISTICS
NAVAL INSPECTOR GENERAL

SUBJECT: Inspector General Department of Defense Report No. D2017-044, "Naval Facilities Engineering Command Management of Energy Savings Performance Contracts Needs Improvement," January 26, 2017

We are revising a specific page in the subject report after publishing to address that no further management comments are required. The revision is minor and does not affect the overall findings, conclusions, and recommendations presented in the original report. We are incorporating the following update to the subject report that is located on our web site at <http://www.dodig.mil/Audit/reports/index.html>.

We are revising the Recommendations Table located on page iii of the Results in Brief. In the "Recommendations Requiring Comment" column we are deleting "1.a.1, 1.a.2, 1.a.3, 1.a.4, 1.a.5, 1.a.6, 1.b.1, 1.b.2, 1.b.3, 1.b.4, 1.b.5, 1.c, 1.d.1, 1.d.2, 1.e.1, 1.e.2, 1.e.3, 1.e.4, 1.e.5, and 1.e.6." We are adding a column titled "No Additional Comments Required" and listing "1.a.1, 1.a.2, 1.a.3, 1.a.4, 1.a.5, 1.a.6, 1.b.1, 1.b.2, 1.b.3, 1.b.4, 1.b.5, 1.c, 1.d.1, 1.d.2, 1.e.1, 1.e.2, 1.e.3, 1.e.4, 1.e.5, and 1.e.6" in that column. We are making this change to clarify that no further comments are needed from the Commander, Naval Facilities Engineering Command. Please reference the attached page as a replacement page for any copies of the subject report in your possession. We have revised only the page indicated and no other information in the report has been modified. You can also access a complete revised version on our web site as indicated in the previous paragraph.

We did not request comment in the original transmittal of this report, and since the revision made is minor in nature, we do not request comments on this revision.

If you have any questions on the revision, please contact me at (703) 604-9077 (DSN 664-9077).
